

National Guard, all have done an incredible job in this first stage of flood recovery.

Now comes the second stage, Mr. Speaker, because shortly the Federal disaster declaration will be made. At that time there will be a toll-free number for all residents in West Virginia to call the Federal Emergency Management Agency, and there they can apply for housing assistance, small business loans, unemployment assistance, crisis counseling, and a range of other assistance.

Working with the Governor, Mr. Speaker, and the FEMA staff, my staff and I will be fanning out across the State as soon as this disaster declaration is made to work with local officials and to work with residents and to get the information out about how to get that assistance.

The first stage, Mr. Speaker, of this flood recovery is coming to an end, and that is basically to preserve life, health, and property. And now we begin the second stage. And as we do, all West Virginians should know that with the Federal disaster declaration that will be coming shortly, they will not be left alone. The second stage begins and so does our recovery.

DISTRICT OF COLUMBIA COUNCIL CONTRACT REVIEW REFORM ACT OF 1997

Mr. DAVIS of Virginia. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 513) to exempt certain contracts entered into by the government of the District of Columbia from review by the Council of the District of Columbia.

The Clerk read as follows:

H.R. 513

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "District of Columbia Council Contract Review Reform Act of 1997".

SEC. 2. EXEMPTION OF CERTAIN CONTRACTS FROM COUNCIL REVIEW.

(a) IN GENERAL.—Section 451 of the District of Columbia Self-Government and Governmental Reorganization Act (sec. 1-1130, D.C. Code) is amended by adding at the end the following new subsection:

"(d) EXEMPTION FOR CERTAIN CONTRACTS.—The requirements of this section shall not apply with respect to any of the following contracts:

"(1) Any contract entered into by the Washington Convention Center Authority for preconstruction activities, project management, design, or construction.

"(2) Any contract entered into by the District of Columbia Water and Sewer Authority established pursuant to the Water and Sewer authority Establishment and Department of Public Works Reorganization Act of 1996, other than contracts for the sale or lease of the Blue Plains Wastewater Treatment Plant.

"(3) At the option of the Council, any contract for a highway improvement project carried out under title 23, United States Code."

(b) EFFECTIVE DATE.—The amendment made by subsection (a) shall apply with respect to contracts entered into on or after the date of the enactment of this Act.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Virginia [Mr. DAVIS] and the gentleman from Maine [Mr. ALLEN] each will control 20 minutes.

The Chair recognizes the gentleman from Virginia [Mr. DAVIS].

Mr. DAVIS of Virginia. Mr. Speaker, I yield myself such time as I may consume.

(Mr. DAVIS of Virginia asked and was given permission to revise and extend his remarks and include extraneous material.)

Mr. DAVIS of Virginia. Mr. Speaker, this bill is a very small matter for us, but it is urgently needed for the District of Columbia Council and two of its independent agencies charged with the important issue of water and sewer service and construction of a new convention center.

This legislation was introduced late in the 104th Congress and fell through the cracks in our rush to adjournment. I appreciate the gentleman from Indiana [Mr. BURTON], the chairman, and the gentleman from California [Mr. WAXMAN], the ranking member, being willing to allow this measure to come before the House outside the regular process. Mr. Speaker, my thanks to Chairman BURTON for permitting expeditious consideration of this bill.

H.R. 513, the District of Columbia Council Review Reform Act, is an important bill for the city's recovery. It enables two independent agencies, the Washington Convention Center Authority, and the District of Columbia Water and Sewer Authority, to carry out their mission in a more efficient and cost-effective manner.
